LETTER OF COMPLIANCE
For
LETTER OF DEFICIENCY
No. ARD 2000-01

Dear Mr. Larkin:

The Department of Environmental Services, Air Resources Division ("DES") has reviewed the actions taken by the Town of Danbury in response to Letter of Deficiency No. ARD 2000-01, and noted during a follow-up inspection by DES of the Town of Danbury's Solid Waste Transfer Station on July 31, 2000. DES has determined that the Town of Danbury is currently operating in compliance with NH Admin. Rules Env-A 100-3600, NH Rules Governing The Control of Air Pollution, specifically, CHAPTER Env-A 1000, Prevention, Abatement, and Control of Open Source Air Pollution, and AUTHORIZATION TO BURN WOOD & YARD WASTES, PIP No. 13667 which authorizes the Town of Danbury to operate a municipal burn site for untreated waste wood and brush. DES believes that no further action is necessary, and therefore issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of the Town of Danbury's Solid Waste Transfer Station, and that this letter does not provide relief against any existing or future violations.

If you have any questions regarding this matter, please contact Raymond Walters of the DES, Air Resources Division, Compliance Bureau, at (603) 271-6288. Thank you for your cooperation.

Sincerely,

Robert R. Scott
